Caitlyn isn't trying to do what this man is trying to do...and would never attempt to do anything like this. Clearly this man is a predator....just trying to get into Kappa Kappa Gamma and mess around! His motives are clear. He is not sincere or genuine. He's mocking women.

I'm so confused don't sororities have a Rush week for new members and pick people themselves by a vote?

These, so called, trans individuals are using a label to justify their perverse actions. They are no less than sexual deviants and could open themselves to charges.

Ann Taylor @AnnTayl98914624 · May 17, 2023

Your comments about a transgender student: 'He is a perverted, sexually-deviant male'.

Wait! Cailyn, aren't you transgender?

You underwent gender reassignment surgery in January 2017.

You were Bruce, a man for 68 years, and according to the GOP you still are.

You should admit first that trans women are not women. Trans women are trans women, no more, not ever. Being a woman starts with a biological reality, if you are XY, you are a man, Mr. Jenner.
